

23 January 1970

MEMORANDUM FOR: Director of Training

SUBJECT : Weekly Activities Report #4  
19 - 23 January 1970

GENERAL

1. The new Professional Development Program for Clandestine Service Officers, scheduled to begin at Headquarters on 24 February, is shaping up quite well. The program as a whole is firm, and about 75% of the detailed presentations have been scheduled, either in terms of instructor assignments for specific topics or classroom assignments for speakers, or both. The first week's schedule is being published, and the rest should be ready during the first week in February. ✓

25X1A8a A total of 19 nominees to the course has been furnished by the ✓  
25X1A8a DDP/TRO, with all Divisions and senior Staffs represented except EUR, ██████████ and FI. The DDP/██████████ anticipates that an additional one or two officers may be nominated.

On 12 February an initial meeting of the PDP class is scheduled 25X1A  
to cover administrative details about travel to and residence at ██████████, and to provide them with SI and TKH clearances. Representatives from the  
25X1A6a ██████████ and the OTR Security Office will participate.

2. ██████████ Office of Security, and Roy  
25X1A9a ██████████ TSD, to discuss tradecraft familiarization training require-  
25X1A9a ments for their immediate overseas designees. The Operations School will conduct a tutorial program 9 - 20 March for Office of Security and TSD officers to meet this need occasioned by the limitation of the March  
25X1A9a OFC to CTs. ██████████ ALT, will manage the course with instructor help from ST and ALT. ✓

4. Through the FE Division we have received a course schedule of the operational/administrative training given by the [REDACTED] External Service to its secretaries (whom they call operational assistants). Some of the training listed is quite similar to that given in the Ops Support Course. The document will be retained in OSL. We will thank the [REDACTED] via FE. 25X1A6a

AGENT AND LIAISON TRAINING BRANCH

During the period of this report, four programs involving seven trainees were conducted. Three of the programs were conducted in Washington and one was a TDY.

25X1A14a      4. The revised form of the SB [REDACTED] has been agreed  
25X1A8a      upon by SB and a meeting chaired by SB [REDACTED] was used to explain the ✓  
changes to the SB speakers. He stressed the need for less lectures and  
the use of more examples taken from operations to illustrate points made  
in the required reading material. Two new cases for seminar-type discussion  
25X1A9a      in small groups will be presented in the next course. One is a very recent  
sensitive case referred to by [REDACTED] in the 12 January meeting of the  
CS Training Committee chaired by DTR.
